

GRIT Newsletter

Wow! What a year it has been so far! I think people will remember the year 2020 as the year things dramatically changed, around the world!

On a positive note, it has also been a big first year for GRIT who turned 1 on Wednesday 1st July. We feel grateful we were able to celebrate it at our home at the Goodwood Theatre & Studios with our ensembles & their families in a small live screening of our online movie created by the GRIT Crew during time of isolation. We were thrilled with the outcome and enjoyed seeing everyone again. Thanks for celebrating and being part of GRIT's first year!

We are so proud of GRIT's achievements...this year we have:

- Facilitated over 150 individual workshops between July 2019 to June 2020
- Created weekly workshop programs for 5-13yrs
- Successful school holiday program with 85% retention rate
- Facilitated thriving workshops for Bellevue Heights and Edwardstown Primary School
- Involvement in Goodwood Road community events offering free workshops for community members
- Performance in the theatre for families and invited guests where GRIT produced 3 productions with each workshop group for the end of year 2019 celebration
- Part of the Adelaide Fringe Festival 2020 with professional company Splash Theatre
- Created successful first-time 10week online workshops for 8-13yrs and culminating in a screening of our online movie made by the participants of the term 2 ZOOM workshops
- And most recently an exciting international online drama party event with Indian company Chakravayu from Mumbai. Our first workshop was a huge success and planning in place for our next one in August.

Thank you, families for being so supportive and patient during this uncertain year. Your support means the world.
